Mr. Milo B. Butler III
Manager – Airport Authority
Lynden Pindling Int'l Airport
Nassau N. P. Bahamas

Sir

Ref: Safety Recommendation SI18-00027, SI18-00028 and SI18-00044

The Air Accident Investigation Department (AAID) is an independent government agency mandated by Minister for Tourism and Aviation with investigating every civil aviation accident and incidents in the Bahamas. We determine the probable cause of the accidents and issue safety recommendations aimed at preventing future accidents.

On August 27, 2018, the AAID adopted its safety recommendation report. The details of a related accident investigation and the resulting safety recommendations may be found in the attached report.

Among the Safety Recommendations are three of critical importance issued to the Airport Authority, which can be found in the report.

The AAID is vitally interested in this recommendation because it is designed to prevent accidents and save lives. We would appreciate a response from you within 90 days, detailing the actions you have taken or intend to take to implement them. When replying, please refer to the safety recommendation by number.

Regards

Delvin R. Major
Chief Investigator of Air Accidents
